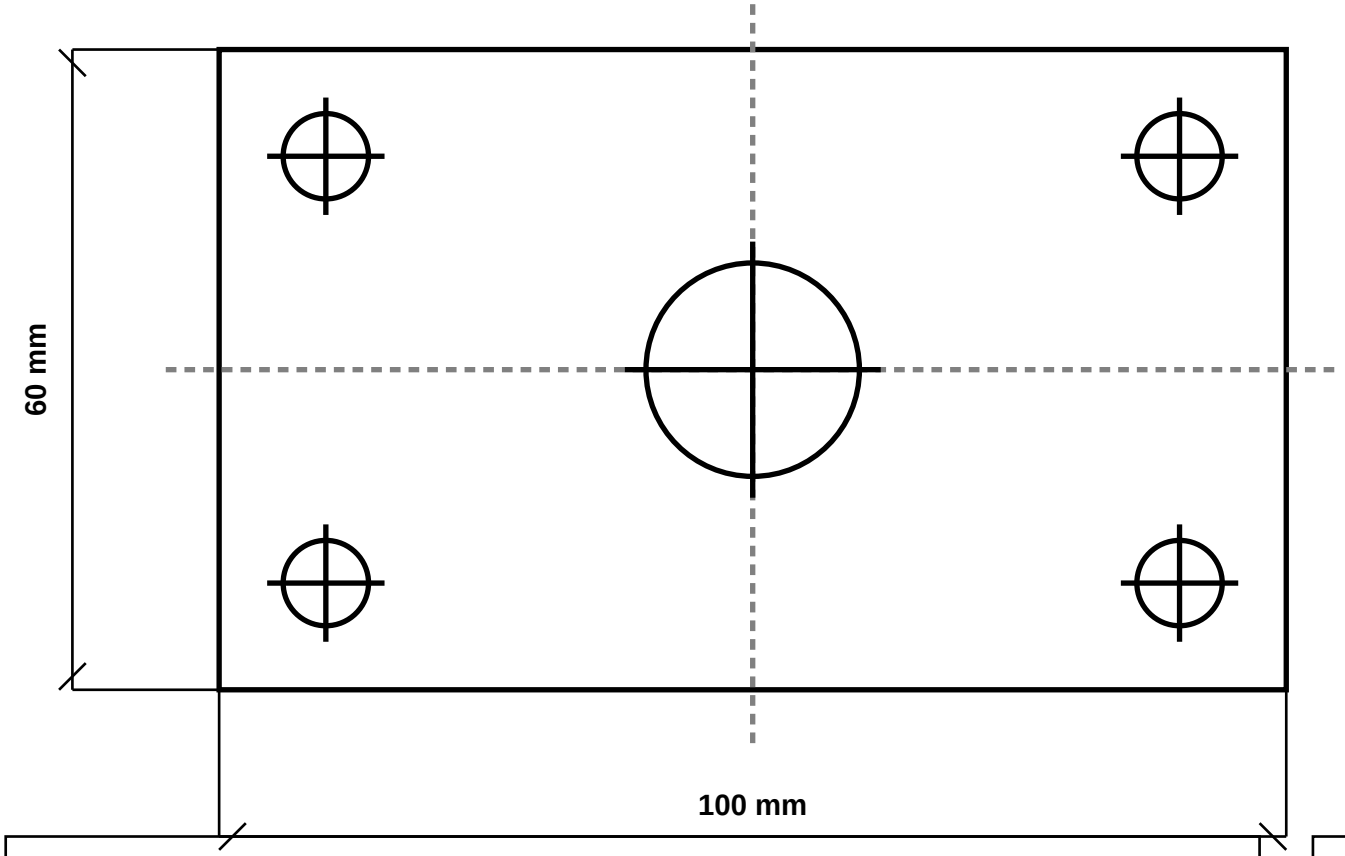
ENGINEERING DRAWING - CNC MOUNTING PLATE

Team-created demonstration dataset



HOLE CALLOUTS

4 x DIA 8 mm THRU

Corner centres: 10 mm from adjacent edges

1 x DIA 20 mm THRU

Located at plate centre

MANUFACTURING NOTES

1. Material: Aluminium 6061-T6, ASTM B209.
2. Overall dimensions: 100 x 60 x 10 mm.
3. General dimensional tolerance: +/- 0.10 mm unless otherwise specified.
4. Surface finish: Ra 3.2 micrometres.
5. Process: CNC milling and drilling.
6. Deburr and remove all sharp edges.

PART NUMBER	2280
PART NAME	CNC Mounting Plate
REVISION	A
SCALE	NTS
UNITS	millimetres
SHEET	1 of 1

Created for SPEC'26 CNC Part Analyzer demonstration
